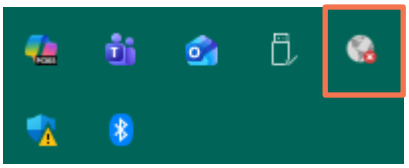
GlobalProtect (VPN)

GlobalProtect provides secure access to NVSD resources when working remotely or travelling.

GlobalProtect was installed on all Staff laptops.

Windows

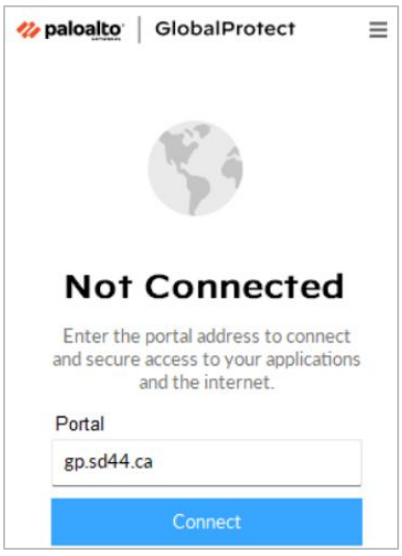
Click on the ^ icon on the bottom right corner of the Taskbar and click the Globe icon:



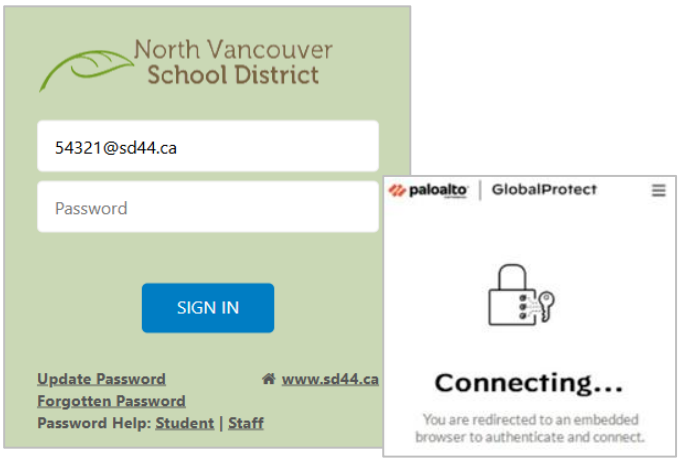
Mac

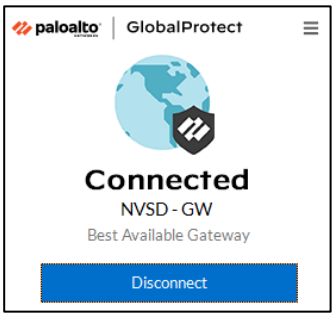
Click on the Globe icon on the left side of the menu bar at the top right of the screen:

Click Connect



Enter your employee #@sd44.ca and District password.



Complete the 2-Step Verification (also known as Multi-Factor Authentication) that is required for Microsoft 365 login:


Once the sign in and 2-Step Verification are completed, you will be connected to the VPN gateway.
